- **Ice Driving Event:** On for Feb. 6, 53 registered and a few on a waiting list. Will need to break up into two groups, email participants to which group they are in and when to register to avoid bottlenecks. Hopefully WAG is more organized this time.
- **Chicago Auto Show:** Going with the M/B club as they have a bus at a better price (\$20) plus show tickets for free.
- **BALT for February 4:** MO'S Irish pub, Milwaukee; Signature Deli, Madison.
- **Road America:** August 8-9-10 Block of rooms at Osthoff, menu changes? **BLING and SPONSORSHIP, been chasing these items since 2005 according to chapter minutes.** Have guest instructor from Audi AG?
- **Teen Clinic:** State Fair parking lot June 5.
- **Chapter meetings:** Appleton in March on Saturday the ? Mark White/Accumoto in Waunakee depends on Mark's schedule.
- **Car Shows:** Brew City May18, Masterpiece club day August 21.
- **Spring Drive:** Todd
- **ACNA monthly call:** Membership **is DOWN more than 2000**, and **RETENTION is finally a topic of interest.** Can the Quattro Quarterly be more timely in that racing news is 4 months late and more articles relating to real world issues and less articles about drives such as Under the Tuscan Sun in a A5. Need articles on topics such as testing winter and summer tires in different price breaks. Put some of the time sensitive material on line to make the magazine less expensive to produce.
- **Lane Toss Lights: No discussion, will we have lights for Road America 2010? This has been on our agenda since May 2008.**
